

## Resolution 2016-6

### **Authorization to Proceed with the Purchase the Illahee Store Property Pending: (1) Securing Clear Title; and (2) an Ecology/PLIA<sup>1</sup> Approved Plan for the Cleanup of the Underground Storage Tanks**

**Whereas** Port of Illahee Commissioners approved Resolution 2016-3 “Illahee Property Bid Authorization“, which was followed by the approval of Resolution 2016-4 “Comprehensive Plan Amendment 2010-1” and these resolutions authorize the Port to move forward with the purchase of the Illahee Store, and,

**Whereas** following the public meeting on August 10, 2016, the Port added the following statement to the Comprehensive Plan:

**“It shall be in keeping with the nearly 15 year vision of past Port Commissioners’ that the Illahee Store property be purchased, if and when it may become available, for a multi-purpose Community Center. Subsequent to that original vision, the following issues have been further identified increasing the need to acquiring the property:**

**(1) Increased usage of Port facilities has resulted in the need for additional parking which the purchase of the property will help alleviate.**

**(2) The acquisition would allow the Port of Illahee to have a meeting space that is in compliance to the American Disabilities Act (ADA) requirement that the Port’s meetings be accessible to people with disabilities.” , and**

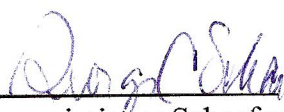

**Whereas** the Port of Illahee entered into a “Commercial Real Estate Purchase and Sale Agreement on November 9, 2016 with Flett Dairy, Inc for the Illahee Store, the real property located at 5507 Illahee Road NE, Bremerton, Kitsap County, Washington (Tax Parcel: 4429-015-001-0309), and,

**Whereas** the Port identified contingencies that must be satisfied before the closing can occur and set a 90 day “Due Diligence Period” for those contingencies to be resolved, and

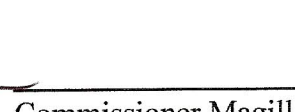

**Whereas** the Port of Illahee has completed all but two of the major contingencies, the ability to secure clear title to the property, and the an Ecology/PLIA approved plan for cleanup of the underground storage tanks, which are in the process of being further investigated and resolved, and

**Whereas** the results of the two final contingencies will be known after the Port’s December 14, 2016 monthly meeting,

**Therefore, the Port of Illahee hereby adopts Resolution 2016-6, authorizing the Port to proceed with purchase of the Illahee Store property subject to and pending: (1) the ability to secure Clear Title and Title Insurance; and (2) an Ecology/PLIA approved plan for the cleanup of the underground storage tanks.**
